Revision History

Version	Date	Name	Description
v1.0	17/04/20	Loris Pesarin	Initial Document

1. Introduction

The PCTO website allows students to search for the best company for their PCTO experience.

2. Connect to Internet

Make sure you have a working Internet connection.

3. Install a web browser

To access our site and take advantage of the services offered, you must have installed any web browser. The most common browsers are listed below:

- **Google Chrome:** https://www.google.com/intl/it_it/chrome/
- **Opera:** <https://www.opera.com/it>
- **Mozilla Firefox:** <https://www.mozilla.org/it/firefox/new/>

4. Go to the site

After making sure that you have a browser installed and that you have a working internet connection, simply connect to the following URL:
<http://aziendepcto.altervista.org/bin/index.php> or <https://pctomanagement.000webhostapp.com>
